

ANCIENT BUILDING BURNS at Tinley Park. Saenger Hall, scene of many area social gatherings in the area for the past century was destroyed by fire last week. Sparks from a welder's torch could have started the blaze, it was said. The entire building was formerly owned

by Hal Hollwedel but he sold the portion that included the ballroom and was known as Saenger Hall to the Tinley Park American Legion post, No. 615, retaining the front portion which housed the tavern. (Semmler press photo)

Saenger Hall Burns

Century Old Landmark Demolished

A Tinley Park landmark, Saenger hall, at 17407 - 67th ct. was destroyed by fire on Thursday, Aug. 30.

The scene of many wedding receptions, dances, and banquets, the building which was one of the oldest in the village, was built over 100 years ago.

The adjoining building, housing a restaurant and tavern was also destroyed in the fire which was still smoldering hours after the Tinley Park Volunteer fire department had extinguished the blaze with the aid of fire departments from Oak Forest, Markham, Harvey, and Homewood. The snorkel equipment of the Homewood de-

partment aided greatly in confining the fire and preventing its spread to neighboring buildings.

REPAIR LINES

While firemen were holding hoses on the burning building, Public Service and Illinois Bell Telephone companies were busy repairing the broken lines, which melted and fell from their posts in the intense heat of the flames.

The heavy smoke from the fire could be seen for miles and drew many persons to the area. To many of the crowd

N. Lenox Man Critically Injured In 2-Car Crash

Three persons were injured one of them a resident of New Lenox township, last Saturday night (Sept. 1) on U. S. 30 near 84th avenue at Lincoln Estates. The accident occurred about 10:15 o'clock and the injured were taken to St. James Hospital, Chicago Heights.

The New Lenox man, Harry J. Caliban, 37, is still on the critical list. The other two, Robert Trenary, 23 and his wife, Carol, 20, of 21513 Locust st., Matteson, were not so seriously injured and their eight-month old daughter, Bonnie Lee, apparently unhurt. She was taken to the hospital, however, with her parents.

Caliban, who resides on Francis road near the Wabash railroad crossing, is an electrician, employed by Commer-

cial Light Co., of Chicago, which is now working on a job at Washington race track, Caliban was enroute home from work when the accident occurred.

He was traveling west on U.S. 30 when suddenly his car went off the road and then out of control swerved back and went across the pavement colliding with the vehicle driven eastward by Trenary.

A woman living near the scene of the crash told investigators she heard a report such as might occur when a tire blows out, just before Caliban's car went off on the north shoulder and they swung south across the highway. Three of the tires on his car were intact but one of the front tires was flat, according to those who saw the auto after the accident.

TINLEY FESTIVAL QUEEN contest winner this year was Sandra Harwood, 17-year-old senior at Lincoln-Way high school. She is the daughter of Mr. and Mrs. Clarence Harwood, 78th ave., Lincoln Estates in Frankfort township. Sandra has been working this summer at the A. & W. root beer stand at Tinley Park. She was sponsored by the Tinley Park Bowling Lanes. Giving her a congratulatory kiss is her mother, Mrs. Fay Harwood. Sandra is a tall girl, with blue eyes and dark brown hair. (Semmler Press Photo)

the burning building brought back nostalgic memories of good times spent there with friends and neighbors.

The picnic grove where many old-timers frolicked as youngsters adjoined Saenger hall to the south, and was originally an outdoor beer garden, enjoyed by the early German settlers, and known as the Linden Gardens.

Saenger hall was purchased last year by the American Legion Post 615 from the Hollwedel family, who operated the restaurant and tavern.

The American Legion were remodeling the hall and many of the Legionnaires had put in a great many hours doing some of the work. Their plans called for a complete remodeling of the interior and for erection of cement block on the exterior. All of the Legion equipment and that of the Auxiliary was destroyed in the fire.

WORKMEN WELDING

Just two hours prior to discovery of the fire, two workmen had been welding steel beams in the building. Some of the Legionnaires were waiting for delivery of material to install a new ceiling. It was while they were eating lunch in the restaurant part of the building that the fire was discovered, reported around 1:30 p.m. by three small girls; Karen Frombach, 11, Laurie Frombach, 12, of 6609 W. 175th pl., and Debby Anaman, 5411 W. Edison, Oak Lawn, who was visiting here.

The girls saw the smoke from Cavett Drug Store at 173rd and Oak Park ave. They walked to the scene and found that the roof of Saenger hall was ablaze. They reported the fire at the back-door of the restaurant of Mrs. Hal Hollwedel, whose immediate concern was for her four children in the apartment upstairs of the tavern where they lived.

All were removed safely, but all of their furnishings and personal belongings were lost in the fire.

The Hal Hollwedel family are overwhelmed by the kindness of friends and neighbors who rallied to their aid by donating clothing and shoes for the children and supplying their immediate needs. Some thoughtful persons even brought toys for the two-year old baby. The family is also grateful and express thanks to the local police and firemen for their fine efforts and kindness.

ENTERS BUILDING

Richard Rabenau, a Legionnaire, who was eating lunch in the restaurant while waiting for the material for the new ceiling to be delivered, immediately entered Saenger hall when news of the fire spread. He saw that the ballroom was ablaze, left, and locked the doors.

SERVICE CUT OFF

The electricity in the area was shut off, causing some inconvenience to nearby business houses.

The Vogt shopping center across the street had to remove the frozen goods from the store and transfer them to the Frozen Food Locker down the street. Fireman played the hoses on top of the Vogt building and other nearby buildings to reduce the danger of the fire spreading.

A locked parked car at the scene with windows buckling from the heat, was broken into in order to remove it,

Area Phone Numbers Going Up--To Have Seven

Direct distance dialing and a seven-figure numbering system are well on their way to becoming a reality for Frankfort, New Lenox and Mokena telephone users according to Don Memler, manager for Illinois Bell.

The new services, due to go into effect early next year, will bring new telephone numbers to all these telephone customers. "All Frankfort customers will have seven-figure numbers,"

said Memler. "But the change is easy to remember. The figures 469 will be placed in front of present Frankfort numbers. This means that at the time of the changeover, Frankfort customers will dial seven figures for local calls," he said.

New Lenox customers will also have seven-figure numbers. The figures 48 merely replace the present HU in New Lenox numbers. 48 and Hu are the same pulls on the dial. Local

calls will be completed by dialing all seven numbers.

The figures 479 are being placed in front of present Mokena numbers to provide direct distance dialing. At the time of the changeover, Mokena customers will also dial seven figures for local calls Memler said. In addition, Mokena's area code for long distance dialing will change from 815 to 312. Frankfort and New Lenox will remain in the 815 area.

At the time of the changeover, it will be possible to dial millions of phones thruout the United States and Canada direct. Persons living in many distant cities will be able to dial direct to Frankfort, New Lenox and Mokena phones.

Many other nearby communities are receiving both direct distance dialing and seven-figure numbers: Braidwood, Elwood, Manhattan, Minooka, Plattville and Wilmington.

A new telephone directory will be delivered at the time of the changeover. All new seven-figure numbers and complete dial instructions will be included.

Memler suggested that customers planning to order stationery, business cards and other printed material showing their telephone number should keep the new number in mind.

Arbury Hills School Sets Addition Hearing Monday

Board of education of the Arbury Hills School District 161 will hold a public meeting Monday to enable voters residing within the district to hear plans for the proposed building program at the school.

Meeting will get underway at 8 p.m. at the Arbury Hills school.

Estimated cost of the project has been placed at \$115,000.

Arrest 5 For Disturbance At Mokena

Five men, strangers to Mokena, were arrested last Friday night after they became disorderly following refusal of drinks at the Muehler tavern on Front street.

According to information given police the five had been drinking before they arrived at Muehler's. One of the quintet, Larry Morrow, 21, of 607 Meeker ave, Joliet, shoved a fist thru the glass door and cut an artery, necessitating a trip to the hospital instead of jail.

Two of his brothers, Douglas Morrow, 22, of 110 South street Joliet, and Gerald Morrow, 24, Rt. 3, Plainfield, went free on bonds after appearing before Police Magistrate James Surovick Friday night.

Two others who asked leave to go to a washroom and then kept on going were rounded up by Mokena police and taken to the county jail at Joliet. They were David Teague, 23, of 2304 N. Center st., Crest Hill, and another of the Morrows, this one being Paul, 17 years old, of Route 2, Minooka.

The quintet was riding in a car driven by Teague, according to information obtained by police and while all are charged with disorderly conduct Teague also is facing a charge of illegal transportation of intoxicating liquor.

Magistrate Surovick has set Sept. 13 as the date for hearing the cases.

Dirksen Due To Talk Monday At Mokena Park

U. S. Senator Everett Dirksen, who is seeking re-election this fall, is scheduled to make a brief talk at Mokena next Monday morning.

The senator is to speak at the Mokena Community park around 11 o'clock and will leave there half an hour later to keep an appointment at Joliet. He is to address a luncheon meeting there given by the Republican Women's club of Will county. The Republican Women's club of Mokena is sponsoring Dirksen's appearance in that community and the members will escort him to Joliet.

It is possible, of course, that something might occur between now and Monday which would prevent the senator keeping these engagements but so far all indications point to his being in the area. He is scheduled to address a big Republican meeting at McCormick Place in Chicago Monday night.

Plans call for four additional classrooms, a multi-use room, washrooms, kitchen and storage space.

Architectural plans have been approved by the board of education for submission Sept. 15 to the voters of the district. Voters of District 161 will be asked at that time to approve the issuance of bonds in the amount of \$115,000.

Need for additional school facilities was pointed up at the school when enrollment reached 240 Tuesday, the first day of school. This figure represents the highest attendance figure in the history of the district and has led school officials to seek approval of plans for an addition to the present building.

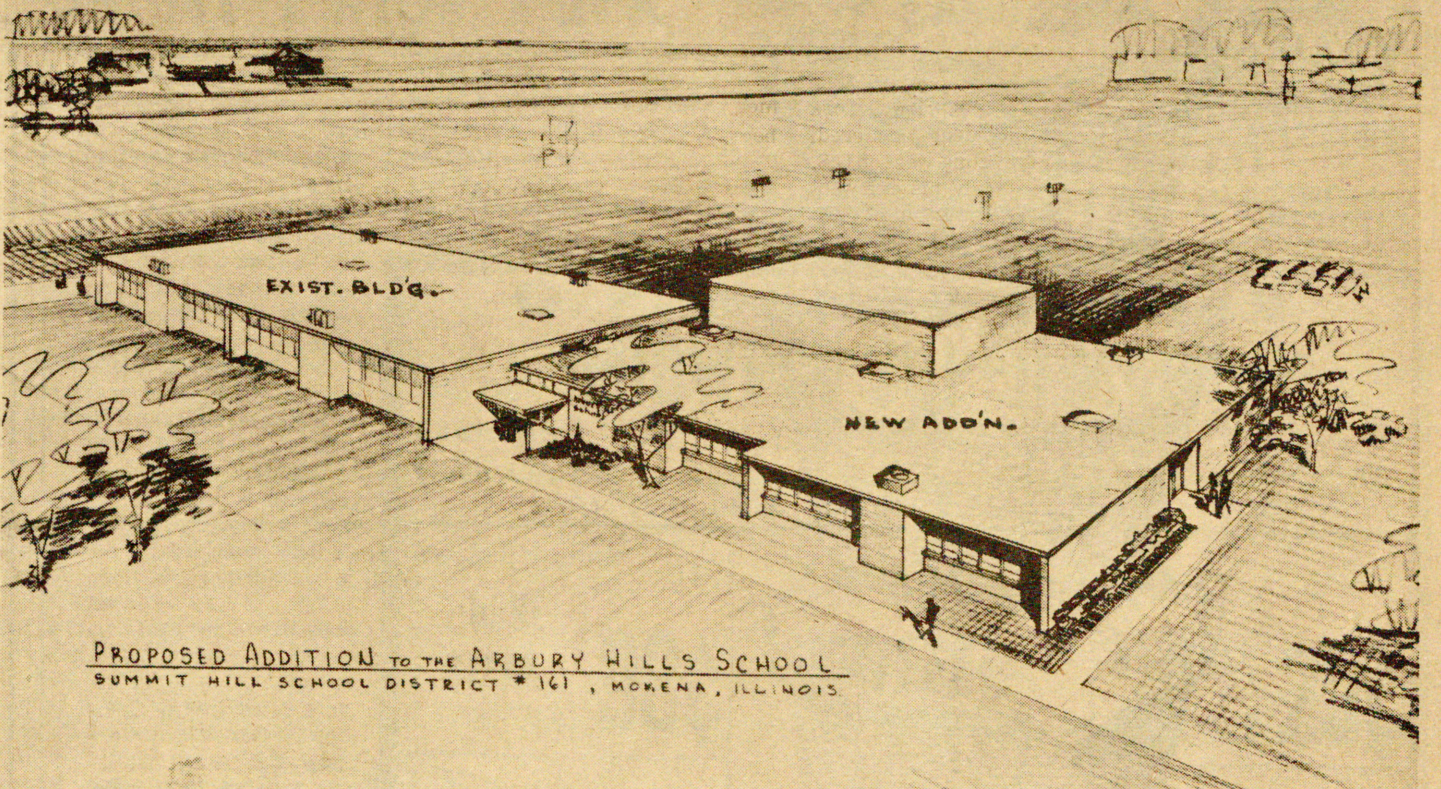

School officials estimate that the addition to the school will cost the homeowner 30 cents per \$100 of assessed valuation. Thus a home valued at \$8,000 for tax purposes would show an increase of \$24 a year, or 50 cents a week on next year's tax bill.

There are presently a total of 96 children enrolled in first and second grades, representing 40 per cent of the total enrollment. It has been necessary to form two first grades and to move the seventh and eighth grades into one room to accommodate nine grades in the 8-room school.

School officials indicate hope that additional rooms will be available by September, 1963 to handle the surge of youngsters in the primary grades.

SCHOOL SUPERINTENDENTS representing the various elementary schools of the Lincoln-Way system conducted a panel discussion relating to coordination of the elementary and high school program Aug. 29. Panel members included, front row left to right, Leroy Wright, Frankfort; Kenneth Johnson, Manhattan; Arnold Tyler, newly named head of the New Lenox school. Back row: James Wrath, new superintendent of the Summit Hill school; Donald D'Amico, assistant principal of Lincoln-Way school; and James Ennis, new head of the Mokena School. Panel was presented during the week-long teacher workshop conducted last week at the Lincoln-Way school.

PROPOSED ADDITION TO THE ARBURY HILLS SCHOOL SUMMIT HILL SCHOOL DISTRICT # 161, MOKENA, ILLINOIS

Highway Crash Fatal to Student From Chile Begins L-W Classes

Two area residents were added to the great highway death toll that marked observance of the three-day Labor Day weekend.

A Tinley Park girl and an Orland township boy died early Saturday morning in a fiery crash at 157th and Harlem.

The victims were: Dolores Barry, 18, of 16400 Oak Park avenue.

James E. O'Brien, 19, of 149th and 81st ave.

Apparently the couple were on their way to the girl's home. They were traveling south on Oak Park avenue and were just a few blocks north of the Barry home when the car went out of control.

The car, an American make compact, plunged off the pavement, struck a culvert, overturned and burst into flames. The occupants were trapped and were unrecognizable when finally extricated.

The girl was the daughter of William J. and Catherine Barry. Besides her parents she is survived by six sisters, and three brothers, Mrs. Elizabeth Fingger, Mrs. Bernadette Fitzgerald, Miss Mary Jane, of Tinley Park; Mrs. Joan Cepek, Mrs. Rita Gavin, of Chicago and Mrs. Catherine Casto, of Min-

neapolis; Robert M. and Michael of Tinley, and William Jr. of Chicago.

Dolores was a graduate of St. Francis Academy, Joliet, and was employed on the office staff of the General Electric Co., at Chicago.

The boy was the son of Eugene and J. and Theresa O'Brien of Orland township. He also is survived by three brothers and four sisters, William, Paul and Eugene, Sharon, Colleen, Mary and Kathleen, of Orland, and two grandmothers, Mrs. Mary L. Norton and Mrs. Bridget O'Brien.

James was graduated from Carl Sandburg high school in June, 1961, and since has been employed by his father who operates the O'Brien Roofing Co.

Both bodies were taken to the Hirsch chapel at Tinley Park. Funeral services were conducted at the same hour yesterday (Wednesday) morning, 9:30 o'clock. The requiem mass for James O'Brien was said at St. Michael's church, Orland Park. The mass for Miss Barry was said at St. George church, Tinley. Both burials were in Holy Sepulchre cemetery.

The couple had intended to marry next year.

Magdalena Ortega, 17-year old resident of Chile, was greeted Saturday morning at Lincoln-Way high school after her arrival Friday to begin classes at the school.

On hand to welcome her at O'Hare Field were Dr. and Mrs. Claude Otto of Frankfort, who will be her host family during her stay here.

Accompanying Miss Ortega thru registration procedures at Lincoln-Way high school were Dr. Otto and his two daughters, Mary Ann and Martha, who will be host "sisters" to the new student.

Expressing a fondness for the study of architecture, the student from Vina Del Mar, Valparaiso, Chile also likes painting, reading and walking.

Marije van den Nouwland, foreign student who attended Lincoln-Way high school last year, will return shortly to her home in Belgium.

Miss Nouwland is presently undergoing final rehabilitation treatments after being fitted with a artificial limb, necessitated when she lost a foot in a car-train crash in February while on her way to the Lin-

coln-Way school. Her mishap make national news, a fund raising campaign was highly successful in her behalf and the University of Illinois granted her a full scholarship.

She is reportedly still considering entering a pre-medical course.

Jail Pair On Assault Charge

Two defendants after spending 16 days in the cook county jail awaiting hearing on charges of assault with deadly weapons were sentenced to more time there by Justice of the Peace Roy Benson, of Orland Park.

The two, Kenneth Jaeger, 21, Chicago, and Roy LePitre, 19, Orland Park, were sentenced to five and 25 days respectively after being found guilty as charged.

The pair was arrested on complaint of David Mizysak, Orland Park, who charged that the two had threatened his 18-year-old son, David with a steel rod and an automatic pistol. LePitre was alleged to have had the gun, Jaeger the rod.

Woman's Guild Compiling 'Old-Time' Cook Book

Woman's guild of St. John's Church, Mokena, is celebrating the centennial of the church by compiling an old-time cook book which will be divided into 50-year periods, 1812-1912 and 1912-1962.

Included will be recipes of unusual and favorite old-time dishes and pastries; everything that was a part of the culinary art of the period. Today's favorites of the more modern ways of cooking are also solicited.

Household hints, and also the

old home remedies are sought. Old familiar "sayings" that were used by the elders to teach and admonish the younger generation will be included. This cook book will follow the pattern of the early cook books in that it will include the whole picture of life through these years as shown in homemaking skills.

Recipes for hand lotions, cold creams, soaps, perfumes, salves, liniment, etc., will be welcomed.

Members of the church and friends of the church who would like to share in this undertaking are asked to send their contributions to Mrs. Milton Bettenhausen, Tinley Park; Mrs. Merrel Koester, 179th St., Mokena; or Mrs. Rudolph Engelhardt, Mokena.

Contribution which have been handed down should indicate from whom it was received and the approximate date. Sept. 15th is the final date for receiving material.

Board Hears 'Eye-Sore' Complaints

Complaints arising from property owners living in the area of Woodland Ave., Orland Park, were passed on to the village trustees Tuesday night during the board meeting.

Nelson displayed photos taken of the four properties, showing their general lack of maintenance.

Trustees voted to take up the matter of the four properties directly with their owners.

MR. AND MRS. HENRY I. CLARK, III

Father Of Bride Marries Faith Demus, Henry Clark

At 3 o'clock, Aug. 4, Miss Faith Irene Demus became the bride of Henry Irving Clark III of Mokena. The bride's father, the Rev. Harold J. Demus performed the ceremony at the Evergreen Park Presbyterian church, where he is pastor.

The bride's gown was fashioned of silk organza and Chantilly lace. The lace top showed a Sabrina neckline and three-quarter length sleeves. A chapel train completed the bell-shaped silk organza skirt. Her finger-tip veil was held in place by a pearl and crystal crown.

Miss Demus carried a white bible topped with an orchid and ivy, and a handmade handkerchief from the trousseau of the groom's grandmother Clark. The engagement and wedding rings given to the bride are heirlooms of the Clark family—having belonged to the groom's great-grandmother.

Miss LuAnne Campbell of Rockford, maid of honor, wore a frost green nylon chiffon gown with white lace top and matching French rose veiled headpiece. She carried pick glame-

lilies and white carnations. Bridesmaids Barbara Bulthaus and Barbara Sulser also of Rockford wore dresses and headpieces in avocado, otherwise identical to the maid of honor's. They, too, carried glameilies and carnations.

Misses Suzanne Demus, junior bridesmaid, and Catherine Demus, flower girl, sisters of the bride, were dressed alike in mint green. Suzanne carried a bridesmaid's bouquet, and Catherine dropped rose petals from a beribboned white basket.

Paul Landahl of Mokena was best man, Charles Steinke of Richmond and Jim Demus, the bride's brother, were ushers. The junior attendant was John Ryle III, the groom's cousin of Ridgewood, N. J.

Mrs. Demus, the mother of the bride, was attired in beige with brown accessories. Her corsage consisted of red roses. Mrs. Clark, the groom's mother wore robin's egg blue with white accessories and pink roses. Friends of the bride's family assisted at the reception which was held in the church parlors immediately after the ceremony. At the conclusion of the reception the couple left for their wedding trip around Lake Michigan.

Mr. and Mrs. Clark will be at home at 513 East Third St., Sandwich, Ill., after Sept. 5. Mr. Clark will teach in the Sandwich high school, and Mrs. Clark will continue her studies at Northern Illinois university, DeKalb.

PALOS PARK GARDEN GUILD, Chapter 1 -- (Left to Right) - Mrs. Melvin Byrne, president of the Guild, Mrs. Dwight Johnson, Mrs. Arthur Lord, Mrs. William A. McGowan and Arthur Lord stand among the flowers in the 40 acre tract dedicated to Mr. and Mrs. Arthur Lord, charter members. (Semmler Photo)

Palos Garden Club Now in 12th Year of Operation

The Palos Park Garden Guild, Chapter One, was organized nearly 12 years ago and is affiliated with the Garden Club of Illinois. It has a membership of 24 men and women. These enthusiastic gardeners share their experiences in such fields as plant culture, landscaping, hybridizing, flower arranging, use of dry materials, conservation and bird watching. One member has written an 80 page mimeographed exposition on the art of gardening in Palos Park entitled "The Palos Park Garden Guild Primer".

In memory of a charter member, a fund has been established from the sale of plants and holiday decorations. Each year a student is sent to one of the state conservation schools with expenses paid from this fund. The Chapter has also contributed to the Lincoln Memorial Garden in Springfield with plant material, time and money.

Two years ago the Chapter was given authorization by the Cook county forest preserve district to develop a 40 acre tract as a wild flower preserve. This area of woodland slough and meadows is dedicated to and named for two charter members, Mr. and Mrs. Arthur Lord. It is affectionately known as "The Lord's Path".

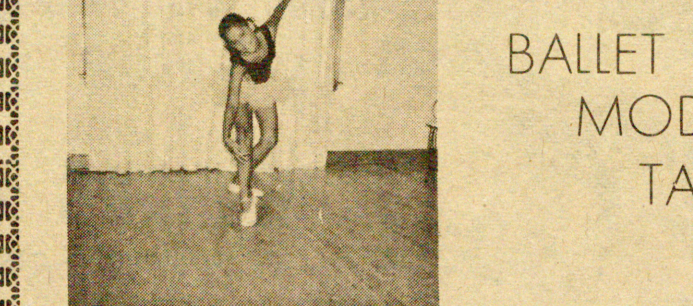

The members and their friends, with a great deal of help and guidance from Mr.

"The Old Timer is one who can remember when a job was the first thing he went steady with."

Wool Growers To Vote On Marketing Promotion

Producers of wool and lambs will be eligible to vote in September to determine their approval or disapproval of a new agreement to continue financing an advertising and market-development program for wool and lambs.

The outcome of the referendum will not affect continuation of the wool incentive payment program, which was extended for 4 years under legislation enacted last year.

Under previous agreements approved by wool growers voting in referendums in 1955 and 1959, the deductions from producer wool payments to finance the market-development program have amounted to 1 cent per pound for shorn wool and 5 cents per hundredweight for lambs. Under the new agreement the deductions cannot exceed these rates.

Ballots will be mailed between Sept. 4 and 7 to producers in the State, and all ballots should be received by Sept. 10. The voting will take place over the 2-week period starting Sept. 10, and all ballots must be received by the ASCS county office not later than Sept. 21 in order to be counted.

New Squirrel Season Open

The daily limit is five squirrels and the possession limit is ten squirrels. Hunting hours for squirrels are from sunrise until sunset every day of the season.

HERE'S PROOF...
STAMPS COST YOU MONEY

Let's face facts... you know how the middle-man raises the final costs of a product. His services always cost money... and, as a result the final price, the price you pay, is higher. It works the same way with trading stamps.

A store that gives trading stamps buys them from a trading stamp company. Innocent as it may seem the trading stamp is quite a costly bit of paper... it increases a store's cost of doing business by at least 2%.

Now, two per cent doesn't sound like very much, but when you add it to the normal mark-up or profit that it is necessary to charge, it can increase your total food bill anywhere from 10% to 15%. That's quite a cost... 10% of \$10 is \$1.00... 10% of \$20 is \$2.00.

What does this mean to you? It means that you can save over \$100 each year by shopping at IGA if your weekly grocery purchases are \$20.00 per week. You can save even more if your purchases are higher. That's a considerable saving... but that's not all.

When you shop at IGA, you'll get the very finest products available. IGA's complete selection assures you of finding just what you want. And IGA's friendly, courteous service is in a class by itself.
